Respected Sir,

I beg to submit the following for your kind consideration and suitable recommendation

I understand I have been transferred to Sagar as Chief Officer I beg to submit that I have put in 29 years and eight months of service thus-far and I am nearly 51 years old I have worked in Seringapatam Municipality for more than 14 years out of which 10½ years continuously from 1917 to 1927 as Sanitary Inspector at a time it was highly malarial and also when other officials transferred to that place used to get out of it within 3 to 6 months Again I worked from 1938 to 1941 as Chief Oificer at Seringapatam On account of the long period I stayed at Seringapatam, my wife, myself and my children have been even to-day suffering from the after-effects of malaria to say the least the health of all the members of my large family is undermined to a great extent and it is an up-hill task to recoup the last health even in an healthy place like Tumkur

My daughters and sons have been attending Urdu girls and boys' Middle School and just in the middle of the year they cannot be disturbed from their Schools and I hear that there is no separate Urdu girls School and I will be very much handicapped

When I am at the fag end of my service after having suffered in an highly malarial place like Seringapatam, permit me Sir, to request you to kindly consider my case under its peculiar circumstances and recommend for the cancellation of the same or at least to give me a maidan place

For the act of kindness and generosity, I shall ever remain grateful to you, Sir

I beg to remain,
Respected Sir,

C & M 52/46-47 D Sept 46

Dear Sir,

Yesterday, I received the Government Order transferring mr. C.Krishnamurthi Rao, Chief Officer of Hassan to Shimoga.

Mr. C. Krishnamurthi Rao was posted to Hassan about a year and four months back. As you know, for any officer to acquaint himself with local conditions and work harmoniously with the members of the Local Bodies takes some considerable time. You are doubtless aware that the object of posting Chief Officers is to maintain continuity of the administrative and development work and more than all to bring about harmony among the irreconcilable elements with deep-rooted vested interests that compose the Local Body.

In Hassan, after a year's struggle under my control, supervision and instruction, Mr. C Krishnamurthi Rao laid bare many a deficiency, leakage and also started development of resources and laid down plans for the next five years. As a result of all this, the Hassan Town Municipality has made an appreciable progress in rehabilitating its financial condition. As an example, I may state that the Hassan shandy collections bring in nearly Rs.10,000/- per annum and this is an innovation due to Mr. Krishnamurthi Rao. Further, he investigated and detected leakage and shortage in the Octroi and more especially in the Javali branch. My Council terminated the existing Octroi Committee and placed Mr. Krishnamurthi Rao in charge of the same from 1st June 1946 and this has resulted in inflow

of more than Rs.8,000/- as over and above the average in such a short time. I could expatiate on his services but that is not my object here. What I want to impress on you is the sudden transfers of officers without previous consultation of the Local Bodies. As suggested above the Chief Officer's post was a creation to help the non-official administration and it was a condition precedent to the transfer of power.

Under these circumstances, I would urge upon you the desirability of previous consultation before ordering transfers of officers.

As regards the Government order under reference, I request you kindly to keep in abeyance as the above referred financial arrangements are perfected and the ensuing cattle-show to be held in the first week of January 1947 is over. I may mention here that the Sanitary Inspector who had some experience of the town and its conditions was recently transferred.

I am sending a copy of this letter to the Deputy Commissioner, Hassan who has personal knowledge of these things.

Dear Dewan Saheb,

My attempts to see you in person and pay my respects to you have not been uptil now fruitful. I am addressing you now in the belief that your goodness and my anxiety to discharge the trust reposed in me by the citizens of Hassan are my excuses to trespass on your precious time. I have enclosed herein a copy of my D.O. letter to Mr. J. Appaji Gowda, Minister, for your kind perusal. I trust you will not mistake me in approaching you as a complaint as against the Minister. It is due to an inward urge to show substantial progress during my tenure of office as a non-official President of the Hassan Town Municipality to show an alround progress by way of expansion of Revenue, creation of further amenities to the citizens and a harmonious working of a Local-self governing institution.

I, on behalf of the citizens of Hassan, request you kindly to interest yourself in this affair and allow the services of Mr. C. Krishnamurthi Rao, Chief Officer, for some time longer and thereby enable me to achieve substantial results.

With regards,

Yours sincerely,

Hassan,
26th September 1946

Dear Sir,

Yesterday, I received the Government Order transferring mr. C. Krishnamurthi Rao, Chief Officer of Hassan to Shimoga.

Mr. C. Krishnamurthi Rao was posted to Hassan about a year and four months back. As you know, for any officer to acquaint himself with local conditions and work harmoniously with the members of the Local Bodies takes some considerable time You are doubtless aware that the object of posting Chief Officers is to maintain continuity of the administrative and development work and more than all to bring about harmony among the irreconcilable elements with deep-rooted vested interests that compose the Local Body

In Hassan, after a year's struggle under my control, supervision and instruction, Mr C Krishnamurthi Rao laid bare many a deficiency, leakage and also started development of resources and laid down plans for the next five years. As a result of all this, the Hassan Town Municipality has made an appreciable progress in rehabilitating its financial condition As an example, I may state that the Hassan shandy collections bring in nearly Rs. 10,000/- per annum and this is an innovation due to Mr Krishnamurthi Rao Further, he investigated and detected leakage and shortage in the Octroi and more especially in the Javali branch My Council terminated the existing Octroi Committee and placed Mr Krishnamurthi Rao in charge of the same from 1st June 1946 and this has resulted in inflow

of more than Rs.8,000/- xx over and above the average in suchashort time. I could expatiate on his services but that is not my object here. What I want to impress on you is the sudden transfers of officers without previous consultation of the Local Bodies. As suggested above the Chief Officer's post was a creation to help the non-official administration and it was a condition precedent to the transfer of power.

Under these circumstances, I would urge upon you the desirability of previous consultation before ordering transfers of officers.

As regards the Government order under reference, I requ st you kindly to keep in abeyance as the above referred financial arrangements are perfected and the ensuing cattle-show to be held in the first week of January 1947 is over. I may mention here that the Sanitary Inspector who had some experience of the town and its conditions was recently transferred.

I am sending a copy of this letter to the Deputy Commissioner, Hassan who has personal knowledge of these things.

Very popular amongst the public

Date 28th Sept 1946

Dear Sir

Just now I received an order from the Government transferring Mr B Thimmiah, the Chief Officer of this Municipality, to the Hassan Municipality It is now about two years since the present Chief Officer is working in this Municipality and as such he is quite familiar with the various problems of this Municipality The Government has entrusted the bulk of the food rationing of the town to this Municipality and we have been doing this work successfully since the last about four years. The Chief Officer has been incharge of this Food Depot and he has been doing his work efficiently To add to this, the Government has recently entrusted this Municipality with the rationing to the town population of the - finer varieties of cloth

-2-

The Government recently sanctioned the amendment of the Octroi Bye-laws of this Municipality and the new bye-laws have been given effect to from 10-8-46 We expect an increased revenue of about Rs 20,000/- under this head. Our Chief Officer is handling the octroi Staff with all diligence

This Office is not at all adequately staffed and the majority of the clerks are young and raw people I have been carrying on my work with the assistance mainly of the Chief Officer, the Municipal Overseer and Head Clerk Barring these good exceptions, there are no other efficient hands in the ~~Office~~ Office.

The General Elections of the Municipality will have to be held in April next and the lists of electors will have to be prepared.

A new Chief Officer at this juncture will dislocate the work of the Municipality and I find

and I find it extremely hard to carryon the adminstration

So, I would request you to cancel the transfer of the present Chief Officer and allow him to continue here at least till the end of April '47

Yours Sincerely,

Re:- Transfer of Mr.M.Gurusiddiah, B.A.? (Hons),L.L.B., Chief Officer, Town Municipality to Chamarajanagar Mysore District.

Important

I desire to bring to your kind notice that there are a number of important Public Works under-taken by the Municipality with the kind Sanction of Government which are pending completion and the present Chief Officer is in direct touch with the works and his presence is necessary for some more time. Besides, the Bye-laws of this Municipality were framed as long back as 1905 and require to be thoroughly over-hauled at once. The bye-laws from other Municipalities have been got and new bye-laws are being drafted and the work has to be completed immediately. The present Chief Officer is a law graduate and was practicing as an Advocate for about 2-3 Years and is well versed in law. He is found to be really very useful in framing the new bye-laws. Furthur the preparation of the Voters List has been taken up and the General Elections have to be conducted in April.

The Municipal Council at its meeting held on 30-9-46 unanimously resolved that the Government be requested to kindly cancel the transfer of Mr.M.Gurusiddaiah B.A.,(Hons), L.L.B., for the present. An extract of Resolution passed by the Council is also enclosed.

P.T.O.

It is prayed that orders may kindly be passed early.
